This is an opportunity **to give to charity**, win **prizes** and at the same time **earn extra money**.

The company started in **APRIL 2005** and their first donation to charity was an amount of **R1500.00**.

As at **March 2010**, their monthly donation to charities has grown to **R212,516.00** and total contributions to date is an awesome **R12,592,418.00!**

THE VISION OF THE COMPANY:

Build this business now and leave an awesome legacy!

So what is the bottom line figure???
An affordable **R150 per month**.

DONATION MEMBERSHIP PLAN

In my opinion, the best part of this whole business is that **you do not have to sell!** **You simply invite** people to view a business presentation where a trained presenter explains the business. When they join, they are placed in **your CareGroup** as **you introduced them**.

How talented you are and how much you earn is impressive.

*How much you help others and give away is **IMPORTANT**.*

And look how this affordable R150 per month can make a difference in YOUR and CHARITY'S life.

YOUR FIRST TIER

The three people you introduce will be placed on your tier one, which earns you R12 per person.

If you introduced 3 people, you have earned **R36** or **R72** if you introduced 6 people. Do this within the first 30 days, and earn a **QUICK START REWARD** of **R120**. **10 in 60 days** will earn you a **R200 bonus** making your total earnings **R156** or **R292** for the month. By joining and **introducing 6 people, you are the reason R210 per month is going to charity!** Would that make you feel good? **That's better than your single R150 going to charity** ☺

The Business of Caring

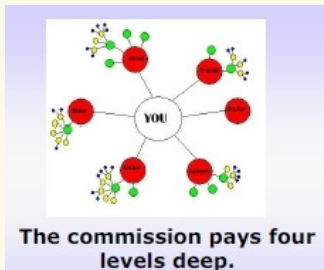

When you earn more than R150 in commission, the company deducts your next month's donation and pays you the profit. This means that your business becomes **self-funding!** We recommend you **introduce all the people you know** on your first tier.

YOUR SECOND TIER

Your first tier people will do the same. If your 6 first tier people average 4 people each, $6 \times 4 = 24$. You will have 24 people placed on your second tier at R24 per person. Plus you are still earning from your first level.

YOUR THIRD TIER

The business will continue to grow as people copy you. Soon **charities will be receiving Thousands of Rands per month – all because you joined and introduced a few other people!**

YOUR FOURTH TIER

The business expands and expands – and so does your income!

One of my favourite stories is about Mike Douglas.

Mike Douglas joined in April 2005 – when the company first started. He lived in Port Shepstone so he nominated the Hospice – Port Shepstone as his preferred charity and recommended to people he introduced to also nominate the Port Shepstone Hospice.

Mike died in March 2006 ☹️ but his widow now has the income from her business PLUS she has inherited the monthly income from his business.

*And best of all? Hospice – Port Shepstone has received to date **over R165,000.00!** If Mike Douglas hadn't joined the business and nominated them, THEY WOULD NOT HAVE THAT EXTRA MONEY. He has certainly left a legacy!*

YOU CAN MAKE A DIFFERENCE!
